PROPERTY INFORMATION

Welcome Prospective Bidders

A valuable opportunity to acquire 302.78 acres of well-maintained Towner County land, ideally located and offering exceptional potential for agricultural, grazing, or investment use. This property features level topography, excellent access, and the flexibility to support multiple land-use goals.

Property Highlights

- 302.78 total acres in Towner County, ND
- NE Quarter: Recently out of CRP and ready for immediate use
- SE Quarter: CRP contract expires 9/30/2026, offering near-term flexibility
- Level, highly usable topography for grazing or convert to productive cropland
- Very well maintained with clean boundaries and strong stewardship
- Excellent access directly off the Crocus Road
- No U.S. Fish & Wildlife wetland easement, providing operational freedom

Prime Location:

- 3 miles south of Crocus, ND
- 3 miles west and 1 mile north of Egeland, ND

Why This Land Stands Out

This property offers a rare combination of accessibility, condition, and future potential. With one quarter already out of CRP and the second expiring in 2026, buyers have the option to maintain grassland for livestock, return acres to production, or hold as a long-term investment in a strong agricultural region. The absence of a wetland easement further enhances the land's versatility and value.

Ideal For

- Producers needing quality grassland
- Farmers seeking expandable acreage
- Investors looking for stable, long-term land assets
- Buyers wanting land with excellent access and no easement restrictions
